

Northwest Rural Public Power District
Hay Springs, Nebraska

SCHEDULE SW-17
STOCK WELL

Availability

Available to stock well consumers, except as another approved rate may be applicable, and subject to the established rules and regulations of the district covering these types of services.

Types of Service

Single phase, at available secondary voltages. Services requiring line extension see Policy 0-11. For motor sizing see General Conditions Policy 0-9.

Rate SW-17

STANDARD STOCK WELL

Access Fee:	Monthly	\$35.00
Energy Charge:	All Kilowatt hours	\$0.1062

Minimum Charge

The minimum access fee shall be the access fee of the rate in effect. Payment of the minimum access fee shall entitle the consumer to have service available.

Terms of Payment

The above rates are net, the gross rate being 10 percent of the net higher. In the event the current bill is not paid by date of delinquency, the gross rate shall apply. Interest charges shall apply as established by District Policy.

Disconnect and Re-Connect

When a stockwell account is disconnected, the service shall be subject to removal unless a monthly Idle Service Fee is paid. A Re-Connect Fee shall be paid to energize a stockwell account that has been disconnected and where an Idle Service Fee has been paid. Where an Idle Service Fee has not been paid but the service has not been retired, the unpaid Idle Service Fee along with the Re-Connect Fee shall be paid prior to the service being energized. Where an Idle Service Fee has not been paid and the service has been retired, the appropriate Line Extension Policy shall dictate terms to have the service restored.

Idle Service and Re-Connect Fee

The monthly Stockwell Idle Service Fee shall be 50% of the monthly Access Fee. The Re-Connect Fee shall be 9 times 50% of the monthly Access Fee.
